

INDUSTRIAL SITES

In order to attract investments, 3 industrial sites were created, equipped with the necessary infrastructure:

- Production site, Petrikov, between the 2nd lane. Pervomaisky and Avangardnaya street, area of 10 hectares.

- Production site, Petrikovsky district, Kopatkevichsky s / s, g. Kopatkevichi, area 0.6 hectares.

- A complex of buildings (8 objects), Petrikovsky district, Ptichsky s / s, 4, Bobrechye village, area 3.6 hectares.

A number of unused real estate objects are offered for investment activities. The information is constantly covered in the media and posted on the official website of the district executive committee and on the Internet in the interactive portal "Investor's Road Map".
