* based on the value of the company's net assets as of 01.01.2021

To calculate the book value, the exchange rate of the US dollar on 01.01.2021 was taken equal to 2.58 Belarusian rubles.

The initial sale price of shares owned by the Petrikovsky district is set at their market value determined on the first day of the first month of the quarter in which the relevant local executive and administrative bodies decided to evaluate these shares.

In some cases, the procedure for determining the initial sale price of shares may be different and depend on the financial results of the company for the last 3 years. This applies to agricultural organizations, the sale of shares of which is carried out within the framework of legislation on financial recovery.

With respect to the shares of other, not listed, joint-stock companies, in the authorized funds of which there is a share of communal property, offers for sale will be considered if they are available and addressed to the Petrikovsky district Executive Committee.
