

1. Benefits and preferences according to the Decree of the President of the Republic of Belarus dated October 2, 2018 No. 399 "On the financial recovery of agricultural organizations":

1) The accrual of interest, penalties (fines) on all types of debts (except for debts arising after the inclusion of such an organization in the list, as well as interest accrued by OJSC "Agency for asset management", banks and OJSC "Development Bank of the Republic of Belarus").

2) The lenders have chosen a restructuring mechanism (basically, a mechanism has been applied to provide agricultural organizations included in the list with a three-year deferral followed by five-year installments).

3) Possibility of transforming a unitary enterprise into a business entity according to a simplified scheme (transfer of rights to land plots without holding an auction, transfer of property without legal documents).

2. In relation to the listed organizations under Decree No. 399, the following measures can be applied to improve their management efficiency:

1) lease of an enterprise as a property complex of an agricultural organization, including with the right of its subsequent redemption based on the results of the implementation of a business plan for its financial recovery;

2) transfer to trust management of state-owned shares (stakes in the authorized capital) of an agricultural organization, including with the right of their subsequent redemption based on the results of the implementation of the business plan;

3) transfer of powers of the executive body (head) of an agricultural organization under an agreement to another commercial organization (management organization) or to an individual entrepreneur (manager), including with the right to subsequently buy out the property complex of an agricultural organization based on the results of the implementation of the business plan;

4) sale by auction (competition) of a property complex, shares (stakes in the authorized capital) of an agricultural organization that are in republican or communal ownership, respectively, by decision of the President of the Republic of Belarus or in agreement with him, unless otherwise established by the President of the Republic of Belarus.

3. The list of agricultural organizations located on the territory of the Petrikovsky district, within the framework of the Decree No. 399:
